

**WEATHER...
OR NOT.**

Introducing
your **all-weather ally.**

With the all-new Terra Trac® Cross-V AW, your customers can take to the road confidently—no matter the weather condition. We've taken everything that was great about the Terra Trac® Cross-V and optimized its performance with enhanced technology while equipping the line with severe snow service-rated capabilities—all without sacrificing the comfort drivers seek during warm weather. Customers will also enjoy peace of mind with the convenience of a premium product, at a great value, for today's CUV, SUV, and Light Truck drivers.

BY THE NUMBERS

- ◆ Number of Sizes: 39
- ◆ Diameters: 16" to 22"
- ◆ 700 A A UTQG rating
- ◆ Up to 65,000 mile warranty
SUV/(P)-Metric 65,000 MI
LT-Metric 60,000 MI

CONQUERS THE COLD...

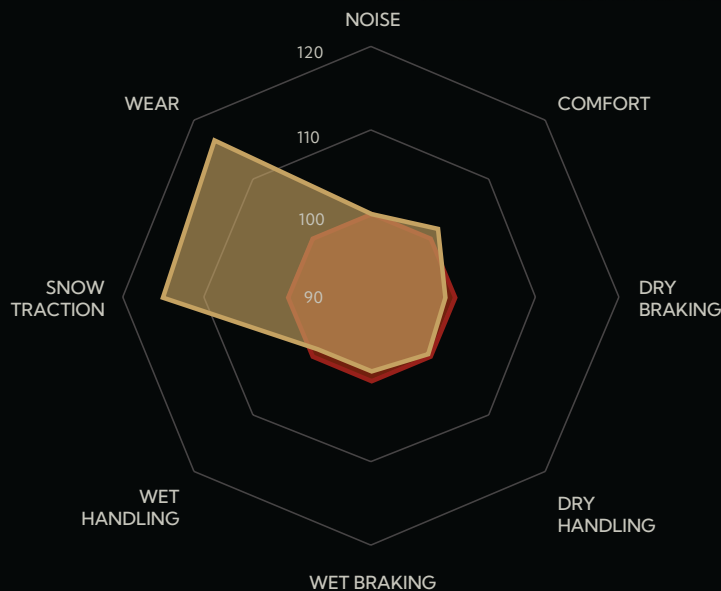

Driven by technology.

As a true all-weather tire, the **Terra Trac® Cross-V AW** is made to perform when the weather is warm, and ready for action when the temperature falls—no winter tires required. If your customers are looking for a smart choice to meet their all-weather driving needs, the latest addition to our Terra Trac® tire series is the one to get it done.

ADVANCED PERFORMANCE WITHOUT COMPROMISE.

Experience remarkable upgrades in wear and snow traction with the Terra Trac® Cross-V AW. The new all-weather tire surpasses its predecessor, delivering the same exceptional performance you trust.

- ◆ **Nissan:** Rogue, Murano, Pathfinder
- ◆ **Subaru:** Outback, Forester
- ◆ **Toyota:** Highlander, RAV4
- ◆ **Volkswagen:** Tiguan, Atlas

...PERFORMS IN THE WARM.

TERRA TRAC® CROSS-V AW

PREMIUM | CUV / SUV / LT | ALL-WEATHER

Features and Benefits

Benefiting from nearly a decade of product development and engineering innovations, the new **Cross-V AW** boasts cutting-edge materials and features to create a true year-round solution that bridges the gap between all-season and winter tires.

- 1 Balanced Performance**
 Advanced all-weather compound balances treadwear, durability, and winter performance seamlessly.
- 2 Ride Quality**
 Intricate groove design and a 4% wider contact patch*, boost the treadwear rating to 700 A A for longer-lasting performance, durability at high speeds, and unprecedented snow traction.
- 3 Driving Stability**
 Reinforced tread block stiffness handles the turns, masters stop-and-go traffic, and enhances overall driving stability.
- 4 Optimized Design**
 Zig-zag tread pattern minimizes tread block movement during braking for better stability and control.
